## Intermediate/Newcomer Players

With a full Schedule of Events & Interaction with ACBL Pros!

**M**arjorie's lesson covers various meanings of cuebids of the opponent's bid suit. When your side bids a suit that the opponents have bid first, it is rarely natural. In some situations the cuebid has a very specific definition. In others, it is simply a non-descriptive way of forcing partner to bid.

**Join us for this fascinating and fun class and become more comfortable with Cue Bidding.**
